Historical context

When Herman Melville was born, The Americans declared war on Britain to uphold American honor at sea, and to end the Indian raids in the west, as well as to temporarily seize Canadian territory as a negotiating chip.

1840

By the 1840s increasing numbers of immigrants were arriving from Europe, especially British, Irish, and Germans. Many settled in the cities, which were starting to emerge as a major factor in the economy and society. The Whigs had warned that annexation of Texas would lead to a crisis over slavery, and they were proven right by the turmoil of the 1850s that led to the Civil War.

Causes of secession war

The primary catalyst for secession was slavery, most immediately the political battle over the right of Southerners to bring slavery into western territory that had hitherto been free under the terms of the Missouri Compromise or while part of Mexico.

By seven of the 34 states, whose river or coastal economies were all based on cotton grown using slave labor

GOLD RUSH

The gold rush or gold fever indicates a period of feverish (frenetic) migration of workers to areas where the discovery of significant amounts of commercially exploitable gold occurred.
